HAKKIMIZDA

Bürocenter Ofis Mobilyaları, şirketler grubumuzun tescilli mobilya markası olarak 2005 yılından beri başta ofis mobilyaları olmak üzere okul, kamp, yurt ve şantiye mobilyaları üretim ve tedariki ile ticaret hayatına atılmıştır. Her geçen yıl projelendirme ve konsept çalışmalarına daha da hız vererek ofis, okul, yurt ve şantiye mobilyası çeşitliliğini arttırarak geniş bir yelpazeye hizmet verecek şekilde kendini geliştirmiştir. Türkiye ve dünyanın her köşesine ürün gönderen bir firma haline gelmeyi başaran Bürocenter, kısa süre zarfında yurt içi ve yurt dışında onbini aşan müşteri portföyüne ulaşmayı da başarmıştır.

Hali hazırda firmamız Ankara'daki Genel Merkez binası, Showroom'u, depolama ve servis tesislerinde yerli ve yabancı müşterilerine en kaliteli hizmeti sunmak için çalışmaktadır. Ürün çeşitliliğimizin fazla olması ve müşterilerimizin de farklı sektörlerde yer alması sebebi ile tüm ekiplerimizin müşterilerimize sağlıklı çözümler üretmek adına itina ile çalışmaktadır. Bu bağlamda iki üretim tesisimizde de Ar-Ge çalışmaları hiç hız kesmeden devam etmektedir. Üretim, montaj, paketlenme ve diğer hizmetlerimizin kalitesi ve hızını arttırarak %100 müşteri memnuniyeti hedefinden hiç sapmadan çalışmalarına devam etmektedir.

Bürocenter Ofis Mobilyaları ile ofis mobilyaları kapsamında başta masa, sandalye, oturma grupları ve dolaplar olmak üzere her çeşit ofis donanımını ilk elden müşterilerimize sunmaktayız. Okul, yurt ve şantiye donanımları anlamında da okul sırası, öğretmen masa ve dolapları, ranzası, karyolası, yatağı, diğer tekstil grupları ve soyunma dolapları ile tüm tefrişatı müşterilerimize sunabilmekteyiz.

Bürocenter markası çalışmalarını sürdürdükçe dünya çapında daha da tanınmaya ve ilgi görmeye devam etmiştir. Müşterilerinden gelen talep, şikayet ve öneriler firmamıza yön göstermiş ve bugünlere gelmemizde en büyük etkiyi sağlamıştır.

Bürocenter tarafından tasarlanan ürünler; proje ve konseptin analizi, araştırma, eskiz, etüt ve tasarımlarıyla başlayıp, tüm detaylar en küçük ayrıntısına kadar çözülerek modellemeler yapılmakta; profesyonel üretim ekibi tarafından ve son model teknolojik makine parkı ile gerçeğe dönüşmektedir. Bu vizyonla ortaya çıkan çalışmalarda amaçlanan; yalnız özgün bir ürün oluşturmak değil, aynı zamanda müşterinin yatırımının optimizasyonunu sağlamak üzere doğru ürün seçimi ile akıllı üretim metotları ve detay çözümler geliştirmektir.

Bürocenter olarak amacımız; teknoloji ve iletişimin hızla geliştiği günümüzde; tamamen yerli olan üretim ve ürünlerimizi dünyaya hızlı, etkili ve kullanışlı bir şekilde tanıtmak ve dünyaya açılan kapılarımızı daha da genişletmektir. Tasarım; vizyon, bilgi birikimi ve yaratıcılık gerektirmektedir. Bunların ötesinde, detay çözebilmek, bilinen çözümleri gerçeğe dönüştürebilmek, bu tasarımı başarılı bir ürünün ya da mekanın başarısına uygun bir biçimde taşıma anlamında önemlidir.

Firma olarak kaliteli ürünün ve kaliteli hizmetin; kaliteli müşteriye ulaşmak anlamına geldiğine ve kaliteli müşterinin de firmamıza değer kattığı inancı ile çözüm ortağınız olarak siz değerli müşterilerimize hizmet vermeye devam etmekteyiz.
